

About Us

Based on the Clubhouse International model of psycho-social rehabilitation, The CLUBHOUSE community at Miller Beach is purposefully organized to support individuals living with the effects of mental illness.

A Bridge of Attunement for heart and mind

THE CLUBHOUSE at Miller Beach abides by the standards of the international model, cultivating the attunement of heart and mind for its members, so they can feel empowered and supported in re-establishing valued social connections and achieving meaningful goals they set for themselves.

Creating a culture of hope, the Clubhouse at Miller Beach is a place to belong and to build a foundation of feeling safe and loved; it's a place for navigating and rediscovering the resilient, multi-dimensional spirit of being and becoming human.

“

*Changing the World
of Mental Health,
with a sense of Belonging,
Hope, and Purpose*

as a valued community member, you are sharing goals and life events with others, learning that you are not alone, but are supported & celebrated

TRUST
THE
process

Employment

The CLUBHOUSE at Miller Beach facilitates an employment program that is designed to remove obstacles and provide individualized support, so that members have success on the job. Members have access to comprehensive employment support with:

- Hands-on skill development within the Clubhouse
- Transitional and supported employment opportunities
- Ongoing follow-up for both the employee and employer
 - On-the-job training and support
 - Individualized job development and placement
 - Employment workshops
- Time-unlimited job retention and career development

Employment plays a central role in life and helps to form a person's sense of identity and self-worth. Besides financial independence, work cultivates connections and a sense of purpose, enriching lives, families and business communities.

Education

Education is just as essential to our members' lives as employment. Many members have had their education interrupted by the onset of mental illness. Our services support learning and growth that restores confidence in continued learning and the navigating of educational systems, from GED to trade schools, or undergraduate and graduate programs.

Housing

Decent and safe housing should be affordable and accessible for all in the community. Clubhouse at Miller Beach assists members in locating housing throughout the community, utilizing a network of property owners who are understanding and supportive of the Clubhouse Program.

ALL SERVICES ARE PROVIDED BY
QUALIFIED CLUBHOUSE STAFF

A Day at The Clubhouse

Members and Staff work side-by-side to operate The Clubhouse. We rely on the talents and skills of each member to help run the Clubhouse Program. Participating in the work of the Clubhouse helps members gain confidence to achieve their goals. Each day brings new opportunities to learn, engage with others, utilize skills and build relationships.

Social Life

Even though we work hard during the week, we also like to have fun together on evenings, weekends and holidays. We celebrate our members' successes, host events, have holiday parties and social outings. We believe a balanced life includes having fun, especially with the kind of friends who want the best for you.

Clubhouse Amenities

- Café
- Resale Shop
- Computer Work Station
- Garden
- Meeting Rooms
- Outdoor Terrace

How To Join

Membership to The Clubhouse is through an application process. If interested for yourself or a loved one, please contact us.

You Are Not Alone
